Hi Fatima,

When it is convenient for you, could you possibly update me on the status of the label amendment for 55146-98 (AS-50)?

Thank you very much!

Danielle

Dear Fatima,

Attached is a revised label with all the changes you requested (a copy with all changes tracked is also included). In the seed treatment section, I assumed that the statement "The U.S. Environmental Protection Agency requires ... treated seed:" should replace the first sentence (Federal law ... the following information). Let me know if I missed anything.

Regards,

Danielle

Ms. Larochelle,

I'm in the process of reviewing the fast track label amendment of AS-50 Agricultural Streptomycin (EPA Reg. No. 55146-98).

Attached is a copy of the product label with some minor proposed changes. Please revise your label accordingly and email me the updated version with the changes incorporated.

If you have any questions regarding this request, please do not hesitate to contact me.

Best regards,

Fatima Sow
